# ABOUT Pandhal

What we all now know and love as the 'Pandhal Cake shop' was originally founded as the Pandhal Restaurant, at MG Road Kochi in 1984 by the same promoters as of the CGH Earth. Pandhal has blossomed into a commercial and creative success through its multiple cake shops and it continues to be an esteemed destination for Kochi's tastemakers who can't get enough of our delights. Everything we bake, make or sell speaks our passion for artisan methods, quality ingredients and delicious food.
